- A contact name and telephone number on your order will ensure that any order queries are dealt with quickly.
- All orders are only accepted subject to our standard conditions of sale available on request.
- All prices and descriptions are liable to change without notice, please check current prices when ordering.

Guarantee

Sarabec Ltd., as a minimum, guarantees new products for 12 months from the invoice date provided that they have only been used for their intended purpose and have not been damaged, tampered with or repaired, other than by Sarabec or its authorised agents.

If a product requires repair during the guarantee period it should be returned to where it was purchased.

Alternatively, it can be returned carriage paid to Sarabec with proof of purchase, the name and address of your supplier and a written description of the fault. The replacement of exhausted batteries is not covered by the guarantee and will be charged for.

The terms of the guarantee do not affect your statutory rights.
